

Rehabilitation & Resettlement

"We will rehabilitate fully and in fair manner all categories of displaced, be it from home, land or livelihood, and sincerely try to give them a life better than before."

- Soung-Sik Cho, CMD

Creating Scope for Everyone to Work

Landless labor family working in betel vines;
displaced family from private land;
displaced family from government land;
100% land losing family;
partial land losing family;
other families in 3 GPs who are not directly affected by the project.

Special Package Better than Guideline

Fair compensation for cultivation on Govt. land such as betel vine, fruit bearing trees, prawn ponds etc.

Betel vine workers will be fairly compensated to protect their livelihood.

Jetty, fishing net and motorboats for fishermen community.

POSCO-India will adopt 3 GPs to carry out community development work in consultation with villagers.
