

Proposed POSCO-India Steel plant

PRESENT

FUTURE

Integrated Steelworks

Capacity: 12 MTPA
(4 MTPA at 1st Phase : HR Coil 2.5, Slab 1.5)
Construction by 2016 (1st Phase : Apr. '07 ~ Dec. '10)

Mine Development

Production: 20 MTPA for 30 years
Mining Leases for 600 MT

Infrastructure Development

Captive Port (Raw Material Berth, Product Berth)
Land Logistics: Access Railway & Road at Steelworks and Mines
Utilities: Water, Electric, Power

Total Investment

US\$ 12 Billion
(US\$ 3.7 Billion at 1st Phase)
